

Eni i-Base professional 15W-40

APPLICATIONS

Eni i-Base Professional 15W-40 is an engine lubricant formulated with high performance bases. It is suitable for petrol or diesel engines.

CUSTOMER ADVANTAGES

- The good detergent and dispersing properties of **Eni i-Base professional 15W-40** effectively minimize the formation of lacquers, varnish, sludge and other types of deposits. This product helps to prevent the piston rings sticking, keeping in suspension the substances that tend to settle.
- **Eni i-Base professional 15W-40** has a strong resistance to the deterioration of its characteristics and in particular to the oxidative phenomena resulting from prolonged exposure in high temperature conditions and in the presence of air and other agents.
- The anti-wear characteristics of this product ensure a long service life of the moving parts, reducing engine maintenance and overhaul.

Eni i-Base professional 15W-40

CHARACTERISTICS

Properties	Method	Unit	Typical
Density at 15°C	ASTM D 4052	kg/m ³	871
Viscosity at 100°C	ASTM D 445	mm ² /s	13.5
Viscosity at 40°C	ASTM D 445	mm ² /s	97
Viscosity Index	ASTM D 2270	-	140
Viscosity at -20°C	ASTM D 5293	mm ² /s	6200
Flash point (COC)	ASTM D 92	°C	225
Pour point	ASTM D 97	°C	-27
