

APPLICATIONS

Degreases and cleans the car windshield without leaving streaks.

CUSTOMER ADVANTAGES

- It removes insects, grease and smog giving clear visibility.
- It does not damage paint, chrome plating and rubber parts.
- It prevents limescale build-up in spray nozzles. Ideal also for headlight washers.
- It is suitable for use in all seasons down to -10°C.

CHARACTERISTICS

Properties	Method	Unit	Typical
Colour	-	-	green
Density at 20°C	ASTM D 1122	kg/m ³	965
pH	ASTM D 1287	-	8.90
Freezing point	ASTM D 1177	°C	-10

HANDLING INFORMATION

- Ready to use. Pour the product directly in the windscreen reservoir.
